Maxayurveda.com - Backend

Developer

JULY 2016 - NOV 2016

- Developed REST Web Services in PHP for the web application in indian ayurvedic domain.

EDUCATION

D.J. Sanghvi College Of Engineering,

Mumbai - *B.E. in Information Technology*

AUG 2017 - PRESENT

Current CGPA of 8.80

Shri Bhagubhai Mafatlal Polytechnic,

Mumbai - *Diploma in Information Technology*

AUG 2014 - JULY 2017

Passed Diploma with 86.40 % in 2017

M.K.N.B.H.S., Mumbai - SSC

JUNE 2002 - JULY 2014

Passed SSC with 86.60 % in 2014

PROJECTS

ACTELION ALPHA AUG 2018 - JAN 2019

- Developed and currently maintaining E-Learning of Medical domain based iOS application and web application.

DJCSI Application OCT 2017 - MAY 2018

- Developed and published DJCSI student chapter's IOS application on App Store with using technologies such like Firebase DB.
- Developed railway concession and LC portal using PHP and REST API.

MITR Demo Web and iOS Application

AUG 2017 - DEC 2017

- Developed MITR's catalog web application and published MITR E-Learn iOS Application.

KYROS DEC 2016 - MAY 2017

- Implemented real-time online examination system for MCQs, developed in PHP, Nodejs, Redis, Vuejs, LESS and REST APIs.
- Implemented in Shri Bhagubhai Mafatlal Polytechnic in academic term 2016/17.

ORION Jan 2019-PRESENT

- A Logic learning system helping users to programming paradigms.
- Developing own Programming Language called "O".
- Fully progressive data analytics for the users.

CO-CURRICULAR ACTIVITIES

- Current **Chairperson** of **DJCSI** student chapter, overlooking different teams such as technical, marketing, publicity, editorial, creatives, logistics, treasury, events.
- Conducted intercollege **24 hours hackathon** named **Codeshashtra 5.0** throughout the Mumbai in March 2019 under **DJCSI**.
- Conducted **workshops** for **Android** and **Augmented Reality** under **DJCSI** student chapter.
- Formerly part of the **Technical** team of **DJCSI** student chapter in 2017/18, building DJCSI application and curating technical aspect of the various events and workshops.

INTERESTS AND ACTIVITIES

1. Programming and developing productive applications using new technologies
2. Interests in online ranked gaming on PC Platforms
3. Discovering and listening music
4. Playing and watching sports like football
